Skip Matthews was a devoted family man, life-long athlete, celebrated actor and a friend to many. His smile was for everyone; he never held back. His passion included his family, running, skiing, golfing, music (all kinds), and having fun.

Skip's love of life continued throughout his two year battle with cancer, a battle he waged with grace, determination and dignity. Skip's zest for life was an inspiration for us all.

We hope you will join us in celebration of Skip's life by participating on Sunday, June 19, 2005.
